

ハルトマン 4

エーリカ
妊娠騒動!?

The contents of this book are essentially a continuation of Hartmann 3 and 3.5. It won't be hard to follow what's going on if you haven't read them.

It feels like
I've seen this
situation
somewhere
before.

~~NO MORE
REVEALING
CLOTHING!~~

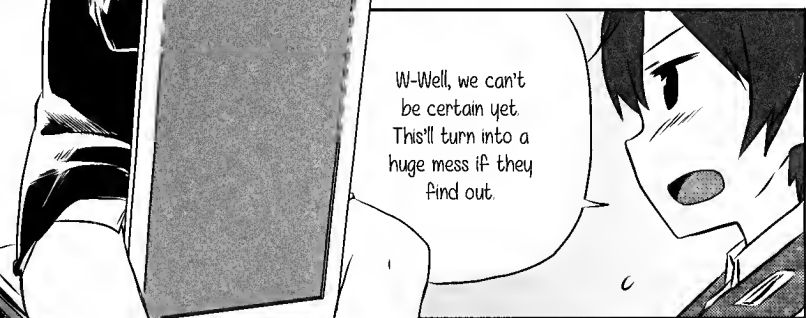

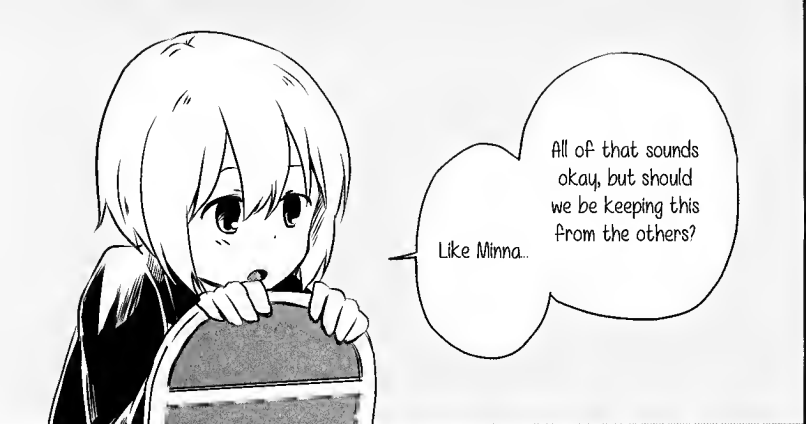

~~IF THAT'S
WHAT'S
GOING
ON HERE,
THEN WE
MUST TAKE
THOROUGH
ACTION!~~

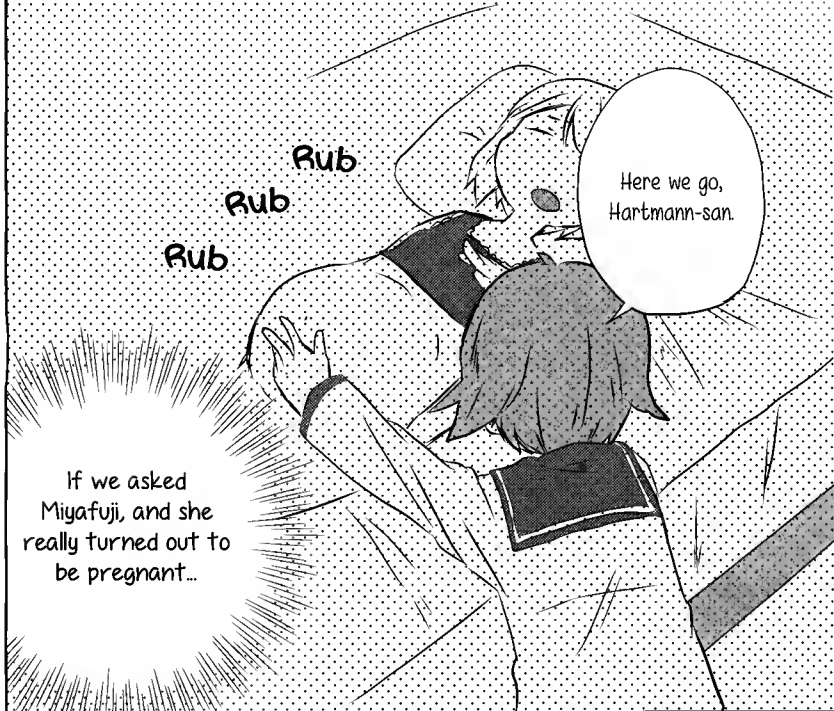

~~DIETARY
RESTRICTIONS
WILL BE
IMPOSED!~~

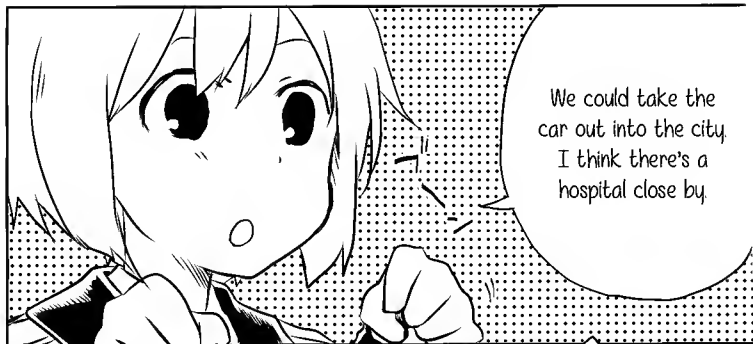

I have no
appetite, so
that's fine.

~~YOU'RE
FORBIDDEN
FROM
STRENUOUS
EXERCISE!~~

You don't need
to worry about
that one.

We could take the car out into the city. I think there's a hospital close by.

That sounds more dangerous than me driving.

Ahhh... If only I knew how to drive.

No, no, no!

A pregnant girl should not operate a vehicle!

And it would be foolish to ask Shirley to take us.

Oh, right, we have a test flight today. I'll go, Hartmann. You stay back here.

Okaaaay!

Lieutenant Barkhorn, Officer Hartmann. Report to the hanger immediately.

Ursula Hartmann, from the development team, will be here in person today.

As I mentioned the other day, we'll be conducting a test with the new striker unit.

Bow

U-Uhhh, she's not feeling well. She's sitting the test out.

By the way, where's Officer Hartmann?

I will, Barkhorn.

Anyway, we do have two units here. Who's going to test pilot the other?

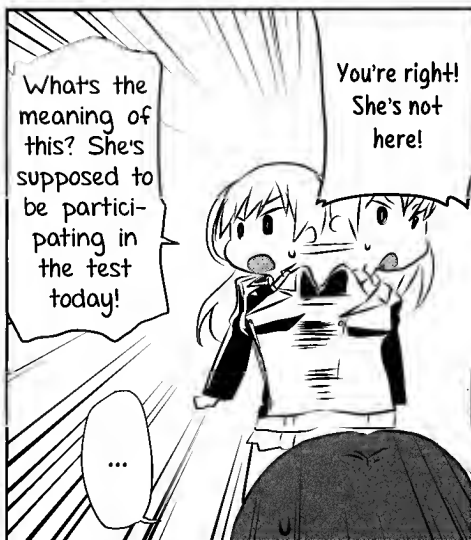

m-marsellee?
What are you
doing at the
501st's test
runi?

And so, I
asked Ursula
to bring me
along with her.
I can face
off with
Hartmann this
way, too.

We were planning
on running tests over
in Africa, as well.
I figured it would
be easier if we all
did it in the same
time and place.

then
you'll be
facing off
with me,
Barkhorn!

...If that's
how it is,

And if I win,
you're going
to switch out
for her!

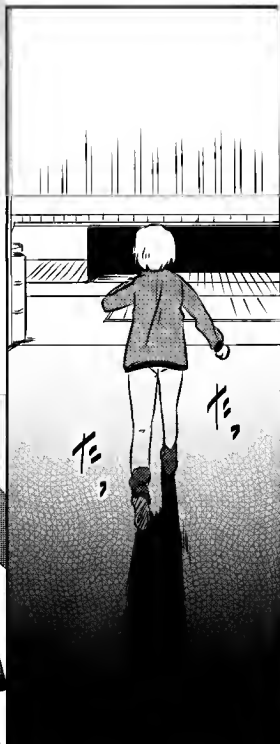

Those two
are taking
this so
seriously.

Don't bring your
personal matters into
military exercises.
Either way, I can't let
Hartmann fly around
for the time being.

Fine. Then
if I win,
you'll go home
peacefully
today.

Nee-sama... I'll do what I can for you!

I just came up
with an idea.
I'm improvising.

Uhh...
Ursula-san?
What are
you doing?

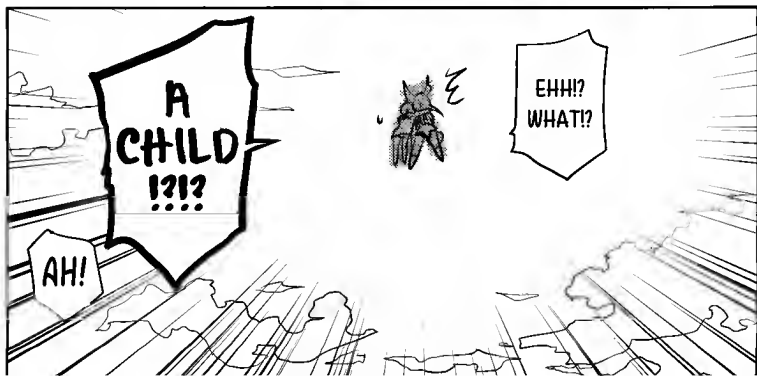

Okaaaay!
Are you ready
to go, you
two?

I'm
perfectly
prepared!

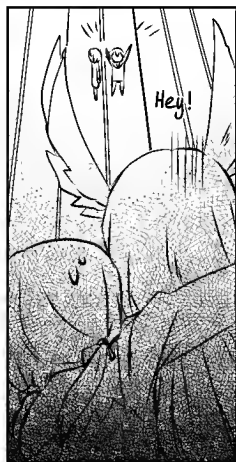

All set.

HEEEEEEEY!

Hey!

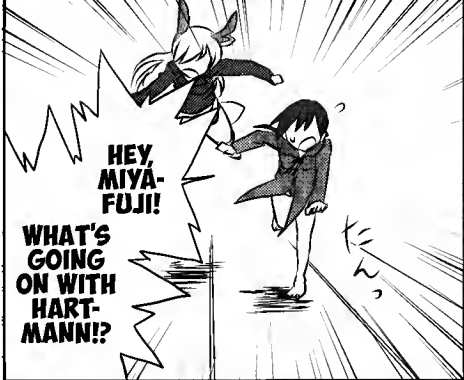

A child a child a child
a child a child a child
a child a child a child
a child a child a child
a child a child a child
a child a child a child
a child a child...

MiyaFuji...?
And
Hartmann?

SH-SHE
GAVE
BIRTH!?

Yeah.

Th-There's nothing wrong with your body, right?

W-What about your child?

Now's not the time for that!

Bark-horn-san! Let me treat you...

I guess I'm not pregnant. But I do have a summer cold.

Ah, about that. Miyafuji found me when I was having a bad dream in my room.

cold...?

A summer...

Jeez, you're
like a different
person from
yesterday.

You need to
learn to move
your body around,
and have a
well-regulated,
and healthy,
daily routine!

You caught
that cold
because your
daily lifestyle
is so sloppy!

The
next
day

As-if-that-
could
happen.

If you're
going to be
like this, I'd
rather be
pregnant
for real...
